### DETAILED ACTION

1. Receipt is acknowledged of Applicant's Amendment, filed May 21, 1999.
2. Receipt is acknowledged of Applicant's Prior Art Statement, filed May 21, 1999.
3. Receipt is acknowledged of Applicant's Offer to Surrender Original Patent, filed June 19, 1998. The original patent, or an affidavit or declaration as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
4. Claims 35, 37-38, and 41-48 have been canceled.
5. Claims 1-34, 36, 39-40, and 49-58 are presented for examination.
6. Applicant's amendments filed April 4, 2001, and November 9, 2001 were not accompanied by a supplemental reissue oath or declaration covering these amendments. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.
7. Claims 1-34, 36, 39-40, and 49-58 in this application are rejected as being based upon a defective declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

Art Unit: 3723

8. Claims 57-58 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 57 and 58 are drafted as method claims but they depend from apparatus claim 55. Thus, the scope of these claims is deemed vague and indefinite.

9. Claims 1-34, 36, 39-40, and 49-58 would be allowable provided the above rejections are overcome.

10. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
